## INDUSTRY EXPERIENCE

### Remento (Heirloom Media Technologies)

Front End Engineer Intern

Culver City, CA (remote)

September 2021–December 2021

- Worked with a team of 4 experienced developers to bring a new product to life using Typescript, React, and GraphQL.
- Played a key role in migrating the codebase to a new architecture, improving the maintainability, scalability, and overall performance of the application.
- Implemented complex animations to deliver a clear and delightful experience for users.

## PROJECTS

### Custom CMS Backend - TypeScript | Prisma |

PlanetScale | Next.js | Tailwind

Lets users create and manage backends for multiple online stores.

Back End w/ Dashboard

Repository: <https://github.com/RotichD/ecommerce-admin>

Deployed: <https://dylanrotich.art>

### Streetwear E-Commerce Store - TypeScript | Next.js |

Tailwind

Store w/ shopping cart & stripe checkout

Front End

Repository: <https://github.com/RotichD/ecommerce-storefront>

Deployed: <https://ecommerce-storefront-ivory.vercel.app/>

## OTHER EXPERIENCE

### Bright Futures Growth and Development Center

Executive Board of Directors - Member

Richmond, CA

January 2019–Present

- Implemented a user-friendly content management system to organize and optimize website content, resulting in increased traffic and enhanced user experience.
- Vital team player in acquisition of funds in excess of \$1 million to positively impact our students' education and uphold a 99% graduation rate for a historically underperforming demographic of the School District.

## EDUCATION
